

The society

Vasantprabha Aroyga Seva Pratishtan Buldana founded by Dr.Vasantrao Chinchole the well-known Ophthalmic Surgeon and Dr. Prabhatai V Chinchole the Social Worker in the year 1999.

The society started for the purpose of progress in the field of education by establishing special institute in Vidarbha region among poor and backward classes, and to encourage Health Science Education, sports, games, women's education etc.

The society began with just one school of Nursing and one hostel; but today, has grown in to the educational organization.
